CRS Rice Bowl

Lenten alms go to alleviate hunger and poverty in communities overseas and in the U.S.: seventy-five percent of gifts support CRS' humanitarian programs around the world, including in the countries featured in the Lenten calendar. Some examples include:

- Agriculture projects help farmers improve harvests
- Water and sanitation projects bring clean water to communities
- Microfinance projects support small businesses
- Mother and child health projects offer health and nutrition services
- Education projects provide resources and training

25 percent of gifts remain in each U.S. diocese where they are given to hunger and poverty alleviation efforts in those communities. Each diocese uses this differently.

All Rice Bowls are due in the office by April 15. There will be a dessert treat for the WHOLE school, if we get 100% Family Participation! One box per family! We are asking each FAMILY to use this Rice Bowl during Lent. Each week there is a Lenten Challenge. This week is:

Week 3 (March 18-22) School Challenge- Place a quarter in the Rice Bowl for every year you have attended school. School is a wish for many poor families in other parts of the world.

Get on the Bus is a nonprofit organization that arranges for children to visit their incarcerated parents once or twice a year (Mothers' Day/Fathers' Day). As one of our Service Projects, we make fun backpacks for the LONG bus ride. It is important to explain to our children that this is a way we are living out the Corporal Works of Mercy (visit the imprisoned) and although these parents have made poor choices, their children have done nothing wrong. Each class is assigned an item. We need to fill up about 15 bags... (**due April 9**)... thank you in advance!

- **Grades PS2, PS3, PK, and K-** Juice Boxes
- **Grades 1, 2, 3, and 4,** - Small toys, games, cards, toys cars, etc.
- **Grades 5, 6, 7, and 8-** Individual Snacks

We have plenty of backpacks, coloring/activity books, and crayons from last year!
