29 Fill all the sundays	30	RED	BLUE	BLACK	WHITE	GRAY
Fill this week for \$5 Yogurt Palace						

Sell out your entire calendar for 1 WEEK of Free Dress

The goal for each family is to sell out their family calendar for a total of \$465. Any day on the calendar could be the Grand Prize Winner. The closer we reach to our school goal for the year will lessen the fundraising of each event later in the year. If everyone sells out their calendar, we will hit our \$120,000 fundraising goal easily this year. Every dollar over our annual goal goes straight back to the students in programs & materials!

### How it works

The day you choose the donation amount, September 15th, then it costs them \$15. Each family must sell a minimum of \$150 of days, but work to sell out the entire calendar. Each family will have a dedicated online page to send out to family and friends. Please track your online sales along with your paper calendar sales. We will combine all your online sales with your paper sales. Please be on the lookout for your invitation to your family calendar.

On October 4<sup>th</sup>, we will draw one date. Every person who purchased that date will win a \$50 Visa gift card. All the winners, from the date drawn will be entered in to our GRAND PRIZE drawing! The more days across the calendar you sell or purchase increases your chance to win!

### GRAND PRIZE DRAWING

Bronze \$250, Silver \$500, Gold \$1250

### Student Prizes

The student prizes are divided into different blocks. For example, if your family sells all the Sundays, all your kids will receive an ice cream treat.

Online calendar: Please be on the lookout in your email for your invite from Omella to complete your online family calendar. Once you have accepted the invite, share your calendar to family to and friends!
